

edr update is our client e-newsletter designed to give EDR clients the latest information on our online service available for processing duties transactions.

The Office of State Revenue (OSR) launches Electronic Duties Returns (EDR) online cancellations

OSR's commitment to the digital transformation of our Property Revenue Services has seen the successful launch of EDR online registrations, online change of details, and we are now pleased to announce the launch of online cancellations.

EDR clients can now process EDR transaction cancellations online through approved Client Service Providers (CSPs).

In partnership with our CSP's, we are offering the online service to save you time, and give you the autonomy to manage your EDR transaction cancellations digitally from your office.

Please visit www.osr.nsw.gov.au/info/edr to download our instructional guide for online cancellations, where you can also access the guides for EDR online registration and online change of details.
